

**Mahatma Gandhi balikaVidyalaya (PG) College, Firozabad**

**REPORT OF ALUMNI MEET**

**2019-2020**

*“Education should cover all aspects of life – material, physical, moral, intellectual, spiritual and emotional, as education is a constant process.”*

Our alumni meet is scheduled on date 20<sup>th</sup> feb 2020 at 11am in common hall of college campus. The entire alumni are gathered at a proper time and they feel joyful, glad and excited to observe the old memories of their learning time.

Alumni are gathering for meeting, started with thankful and warm blessings of Ms. Rita dixit, the Convener of Alumni meet. She heartily congratulate all of them on their grand success and she is much pleasant with all alumni to input their Valuable time.

All the alumnus are much glad and thankful to the college and faculty members to achieve a herculean task with no effort and much pleased to observed a new look of building, library, garden and their departments.

At the end of meeting Principal Dr. Nirmala Yadav congratulates all the alumni on their success and motivates them to achieve the new races of life with a achieving the new goals of life.

Meeting is moved at end by special thank of co-convener *Dr. Farah Tabassum*. She is very thankful to our management, Principal and various faculty members.

### **Suggestion And feedback**

- ❖ College campus must be free from single used plastic.
- ❖ Online & offline classes must be organized for PG students as well as for research workers.
- ❖ In pandemic disease COVID-19 health issues must be properly guided by the students.
- ❖ Our College provided a proper guide line to their students for protection from COVID-19.
- ❖ College has provided some additional fund for the needy or poor girls belonging to the BPL Category.
- ❖ Our college must have organized plantation program for clean and green environment.
- ❖ College provided a thoughtful knowledge with accordance of practical work in their home laboratory.
- ❖ College have well equipped laboratory which provide propped practical knowledge.
- ❖ College must be started some technological, vocational as well as modern courses in arts and Home science.

- ❖ College regularly maintaining a good discipline as well as excellent output result of academic year.
- ❖ Faculty members are extra-ordinary in their field so they must have regularly providing their best.
- ❖ Our College also maintaining a discipline in official work academic work as well as departmental work.
