

Mahatma Gandhi Balika Vidyalaya (PG) College, Firozabad

REPORT OF ALUMNI MEET

SESSION 2021-22

The Alumni meet- Flagship event of the Alumni Association

“The main aim of Alumni Day celebration is to unite maximum number of Ex-students and join them in the alumni family.”

“हमें ऐसी शिक्षा चाहिए, जिससे चरित्र बने, मानसिक विकास हो, बुद्धि का विकास हो और मनुष्य अपने पैरों पर खड़ा हो सके।”

“जिस अभ्यास से मनुष्य की इच्छाशक्ति, और प्रकाश संयमित होकर फलदाई बने उसी का नाम है शिक्षा।”

Mahatma Gandhi Balika Vidhyalaya PG college, Firozabad, has organized an alumni meet on **19 Feb. 2022** in college Seminar hall. The alumni meet is conducted every year to reconnect them with other college students and celebrate their grand success and achievements of life in private as well as in Governments sector, so they could also share their success with older one and new students.

The alumni meet started by 10 am in seminar hall, all the alumnus started gathering with eagerly to attend the alumni meet. The alumni meet started with an in vocational song of goddess of knowledge **maa saraswati vandana** for seeking the blessing of almighty God .

The principal of college **Dr. Nirmala Yadav** addressed the all alumni with warm blessing and congratulations on their health and grand success of career in life by that they become an ideal to other juniors and seniors. The convener of alumni association **Rita Dixit** also congratulates the entire alumnus and thankful to join the alumni meet, then the co-convener **Dr. Farha Tabassum** welcomed with sweet blessings and congratulate them. She is much pleased and feeling glad that all the aluminus are a part of the college.

All the delegates were feeling honored by such love and affection of the college staff, seniors, juniors as well as honorable Principal Madam. The event was stimulating, enjoyable and simultaneously profitable for all the members and students to share their views and good number of new ideas, information's and insides came up.

Convener and co-convener of alumni association expressed vote of thanks to all and requested all of the alumnus to provide their suggestions and valuable views about the college for the future improvement.

FEEDBACK AND SUGGESTIONS

Feedback-

The college provides the quality education for all women and make them stronger in the field of education and every field of opportunity of jobs.

college have a excellent infrastructure and illuminating the future of all women's which are engaged with the college. College provides an excellent guidance in education, curricular activities and co- curricular activities.

The faculty members of this unit have a in-depth knowledge, provide effortless teaching for success of their students, so they are highly succeed in their personal as well as in professional life.

College regularly motivated the poor girls as well as rural girls, by providing library facility, Remedial classes, online as well as offline classes, poor fund, scholarship by Governmental organization by college and management committee to develop their career.

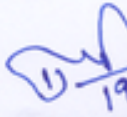

College regularly organized some specific programmers for women empowerment. Some additional Program for women protection-self defense acts and laws for the women safety are introduced by some guest lecturer as well as by different NGOS (Non Government Organization) to know their strong safety views.

Girls are encouraged through various committee formed in college like discipline, anti-ragging and some other committee like games, library, NSS, Rangers, cultural activity, sexual harassment committee etc. along with this, they provided with the healthy and protective environment also maintaining the quality education which is commendable.

Suggestions-

- ❖ All the students must be motivated for regular plantation in and out of college to reduce the **Global warming and ozone layer depletion** of atmosphere.
- ❖ Reduction in paper work should be implemented in college campus.
- ❖ For rural and remote students college should provide regular online and offline classes should be organized for maintaining the social distance with effective regular knowledge.
- ❖ Canteen should be established in college campus.
- ❖ R.O. Drinking water should be available in college.
- ❖ College must be single used plastic free campus to reduce the environmental pollution.
- ❖ Faculty members should increase in science faculty member.
- ❖ Facility in reading in library should be increased.
- ❖ College must provide some additional funds for needy and poor students belonging to weaker category students.
- ❖ New and recent collection of books for poor students according to syllabus and competition of various exams which make the students stronger and regular for preparation.

- ❖ Some e-books, e-journals as well as books of foreign writers and international and national research work must be added in library.
- ❖ College must add some professional course for all students.
- ❖ College must started computer classes for all students to be a part of digital India.
- ❖ For conservation of electricity solar system must be used in large amount.
- ❖ College make some effort for the competition purpose extra classes for preparation of college students.
